**A Book Event with Gen. (Ret.) Anthony Zinni**

## ***Battle for Peace: A Frontline Vision of America's Power and Purpose***

**Moderated by James Kitfield, the Award-Winning Defense and Foreign  
Affairs Correspondent for National Journal**

Gen. Zinni was known as the "Warrior Diplomat" during his nearly forty years of service. In his new book, *Battle for Peace: A Frontline Vision of America's Power and Purpose*, he shares his inside views on the war in Iraq -- a war that led to his resignation as Secretary of State Colin Powell's special Middle East envoy in 2003. He will discuss and answer questions about his own strategy for "repairing America's international relations and Washington's response to domestic and foreign crises."
